COMMUNITY DEVELOPMENT AND SUPPORT

THE HILLS 2009 COMMUNITY DEVELOPMENT AND SUPPORT EXPENDITURE SCHEME (CDSE)

Applications for The Hills 2009 Community Development and Support Expenditure Scheme (CDSE) are now open.

CDSE is designed to ensure that large registered Clubs (Clubs that earn over $1 million annually in gaming machine revenue) contribute to the provision of front-line services in their local communities.

There are two types of funding:

- **Category 1** which is administered through the local CDSE Committee consisting of representatives from Council, Clubs, local Community Service Organisations and Department of Community Services.

  Funds in this category are provided for local community service and sporting organisations in the areas of community welfare, community development, community health services or employment assistance activities.
- **Category 2.** Applications under this category are handled directly by the Clubs.

  Local funds are limited and there are priorities. In 2008, The Hills CDSE received 65 applications of which 18 obtained funding from Castle Hill RSL, The Hills Bowling Club, Dural Country Club or Baulkham Hills Sporting Club.

To assist potential applicants there will be an information session on Tuesday 7 April 2009 between 10–11.30am at Castle Hill RSL Club.

Applications will close at 4pm on Friday 8 May 2009 and must be sent to: Hills CDSE, C/- Community Services
The Hills Shire Council, PO Box 75, Castle Hill NSW 1765.
You can obtain the Application Form and other information from Council's website by accessing the following link **www.thehills.nsw.gov.au/** and then select CDSE.

If you require any further assistance, please contact Council's Manager – Community Outcomes on 9843 0191 or email **gallen@thehills.nsw.gov.au**

CLEAN UP THE HILLS

ESTABLISHMENT OF S355 COMMITTEE

Council is currently reviewing the management of litter throughout the Shire. Littering, by definition small items of rubbish carelessly dropped in public places, remains of concern across the broad sector of our community. There is no simple solution to resolving littering as people's behaviour can vary depending on values, knowledge, awareness, available infrastructure, site management processes and many other factors.

To assist in the development of littering programs, Council has resolved to establish a Section 355 Committee. The establishment of this Committee will assist Council by providing strategic advice to manage littering.

Applications for membership of the Committee are invited from interested members of the community up until 4.00pm on Friday 10 April 2009. Further information can be obtained by contacting the Group Manager – Environment & Planning Services, Mr Michael Edgar on 9843 0248.
