

## LEGEND

- 1 Sandstone Block Retaining Wall
- 2 Capped Turfed Field
- 3 Capped Drainage Swale with Boundary Screen Planting
- 4 Capped and Planted Garden Bed
- 5 Capped and Ramped Turf Embankment
- 6 Formalised Concrete Maintenance Access Driveway
- 7 Proposed Concrete Pedestrian Entry Pathway
- 8 Playground with Seating, Picnic Settings and Shelter Structure
- 9 Concrete Circuit Pathway with Seating
- 10 Multi-purpose Sports Court (basketball / mini soccer)
- 11 Mature Shade Tree Planting
- 12 Dog off-leash area

## PROPOSAL

This design includes:

- New local playground with a variety of play opportunities for children of varying ages, seating, bin, planting, access pathways, shelter structure and picnic settings;
- New turfed drainage swale with boundary screen planting;
- New multi-purpose sports court (basketball / mini soccer) with platform seating benches, bin and shelter structure (subject to available funds);
- New circuit pathway with seating and improved access to surrounding streetscape pathway network and reserve amenity;
- Turfed dog off-leash area
- New planted garden beds with mature trees, shrubs and groundcovers;
- New remediated turf and garden bed areas;
- New sandstone block retaining walls to minimise excavation and disposal costs of contaminated fill.
