

USER NOTE - The person having the benefit of the Complying Development Certificate must give at least **seven (7) days' notice*** in writing of the intention to commence the works to the occupier of each dwelling that is situated within 20m of the lot on which the works will be carried out. All dwellings within an apartment, residential flat, townhouse, villa, dual occupancy etc whose lot falls within the 20m distance are required to be notified. Please ensure this Notice is completed and distributed accordingly. The map attached to your approval may assist you in identifying the property occupiers to be notified. You are required by law to keep a record of the Notification. Works cannot commence until you have completed this notification process and submitted the "Advice to Council and Principal Certifier – Intention to Commence Work" form to The Hills Shire Council.

* **Two (2) days' notice** applies if the work is in a *residential release area*.
