

Friday 22nd January 2021

Dear Resident,

Hezlett Road Upgrade (Samantha Riley Drive to Armbruster Avenue), North Kellyville

The purpose of this letter is to inform you of the upcoming works and the areas they will be taking place.

Please note, works will be taking place on either side of Hezlett Road, between Camrose/Curtis Street intersection and just past Armbruster Avenue starting Monday 1st February. From this date, no vehicles will be able to park in this work zone. Please find alternative parking as a matter of urgency until the works are completed in this area. Bus stops will remain in the same positions. Traffic at this time will be pushed onto the Eastern side of the road and will remain two-way traffic. Sayers and Armbruster Avenue will become only one-way streets with traffic able to turn into Sayers Avenue off Hezlett Road and then turn out of Armbruster Avenue onto Hezlett Road. A mark-up of the work area has been attached for your information with the no parking areas highlighted in red.

At all times we will endeavour to ensure that any impact will be minimised. Should you require any further information or have any questions please feel free to contact our Head Office at 02 9605 2222 or email Admin@menaicivil.com.au

For after hours and emergency contact please call 0401 482 944.

Kind Regards,

Mitchell McGoldrick

Engineer
