

# Cattai Creek Preliminary Concept Master Plan

PRELIMINARY CONCEPT MASTER PLAN

## Have your say

The community's feedback is important in designing Cattai Creek's future. Council wants to know what you most value about Cattai Creek and what you would like to see there in the future.

## Do the survey

To find out more and provide your insights, please visit The Hills Shire Council's Have Your Say webpage and take the survey before Monday 17 May 2021.

**Cattai Creek is a hidden gem within the backyard of Castle Hill. With the growing population in the local area, Cattai Creek will need to be revitalised to provide valuable and much needed open space for recreation, play and relaxation.**

Council has developed a Preliminary Concept Master Plan for the Creek between Middleton Avenue and Showground Road in Castle Hill. The Preliminary Concept Master Plan shows Councils vision for the Creek.

This project is proudly funded by the NSW Government under the Precinct Support Scheme in association with The Hills Shire Council.
