

# WE'RE BUILDING A NEW WAVES

THE HILLS  
SHIRE COUNCIL

NOTIFICATION OF  
CONSTRUCTION  
ACTIVITIES No.6

26<sup>th</sup> August 2020

## Dear Resident / Business Owner

This notice is to inform you that ADCO Constructions will be extending the existing fencing around the perimeter of the Waves Redevelopment site. The new fence line will encroach on sections of the existing Rose Garden along the North and West side of the site, however impacted roses will be either transplanted into new or existing beds within the rose garden or relocated to garden beds at Cropley House. A temporary footpath will be installed by The Hills Shire Council to ensure full access around the site for the duration of the project.

These works will take 1-2 days, appropriate safety and traffic control measures will be in place for the duration of this procedure.

## When

- The works will commence in the coming weeks.
- These works will take place from 7:00am to 5:00pm.
- Please note that the works may change in the event of inclement weather or for other unforeseeable circumstances outside of our control.

Please be assured that we will be working hard to minimise construction impacts on residents and the local community, and that we are happy to answer any questions or concerns you may have.

## What we are doing

- Removal of existing black palisade fence on the western and northern sides of the project site.
- Installation of temporary fencing in new location.
- Construction of temporary footpath around the perimeter.
- Operation of light machinery and construction vehicles

## What to be aware of

### Traffic and Pedestrian Changes

- Periods of partial disruptions will be experienced as construction vehicles operate in the work area. Throughout this process, access will be maintained with appropriate diversions in place.

### Noise and Vibration

- These works are expected to generate low levels of noise.  
We apologise for any disturbances that may occur as a result of these works.

Your patience and cooperation are appreciated as we collaborate to bring you a new, state of the art Aquatic Centre.

If you have any questions about these works or would like more information on the Waves project, you can send an email to [wavesaquatic@adcoconstruct.com.au](mailto:wavesaquatic@adcoconstruct.com.au).

Yours faithfully,

ADCO Community Liaison Manager

This is a **Hills Shire Council** project delivered by ADCO Constructions
