DRIVES FOR LEARNERS

IN HORNSBY, HAWKESBURY AND THE HILLS
Welcome to Drives for Learners in Hornsby, Hawkesbury and The Hills.

Learners are required to obtain a minimum of 120 hours of supervised driving practice (which includes 20 hours of night driving) before sitting their P1 Driving Ability Road Test.

This booklet has been developed to help make this experience more enjoyable for both Learner drivers and their supervisors.

We have included a range of drives progressing from the least experienced learner to a more experienced learner driver. Each of the three local government areas of The Hills, Hornsby and Hawkesbury have included two routes within their areas and there are two longer routes for more experienced learners which cross all three areas.

The more difficult routes are designed to provide an opportunity to gain valuable urban and rural driving experience and also provide an opportunity to enjoy some of the great attractions of the three areas.

Use this booklet in conjunction with your RTA Learner Driver Logbook as a guide to which routes you may wish to drive. It is important for the supervisor to consider the individual needs, experience and abilities of the learner driver at all times and for each drive.

This booklet contains the following useful information:

- Maps of driving routes with step by step directions
- Safety tips and handy hints for teaching your learner driver
- Useful websites to gain further help

If you are involved in a crash:

STOP! Don't keep driving.

Provide the other driver with:
• Your full name and address, date of birth, drivers license number and contact numbers.
• The registered owners details of the vehicle being driven.
• The registration number, make and model of your vehicle.
• Date, time and location of the crash.
• Insurance company, type of policy and policy number.

If possible you should write down and keep:
• The name and details of a willing witness.
• The name and details of the Police Officer, their Police Station and contact details if they attend.

You MUST call the Police, if:
• Anyone is killed or injured.
• Anyone is affected by alcohol or drugs.
• Anyone fails to exchange details.
• Any of the vehicles need to be towed.

If NONE of the above situations apply to your crash, please call the Police Assistance Line on 131444, with the above details.

FAILURE to comply with these requirements may result in a full Police investigation.

By exchanging particulars at the Crash site YOU ARE NOT admitting liability.
