

MOBILITY PARKING SCHEME PERMITS

DISPLAYING YOUR MOBILITY PARKING PERMIT

You must display both your NSW Mobility Parking Scheme permit (licence-style card) **and** your Australian Disability Parking Permit (large purple card) in order to obtain parking concessions.

Insert your NSW permit into the clear sleeve of the Australian Disability Parking Permit. The side marked THIS SIDE UP should be facing out, so that your personal details and photo **cannot** be seen.

ATTACHING THE PERMITS TO YOUR VEHICLE

Your permits should be displayed clearly on the **left hand (passenger) side** of your vehicle.

If this isn't practical, place the permits in an area where they can be clearly seen from outside the vehicle.

The permits must not block the driver's vision while the vehicle is in motion. Make sure the side marked 'Display this side' is showing at all times when in use to obtain parking concessions.

Please refer to the Commonwealth Government Australian Disability Parking Scheme website for more information.
