# Application to locate a building waste/shipping container in a public place

## CONDITIONS OF APPROVAL

Any approval granted will be subject to the following general conditions:

1. An application must be approved – prior to placing the container on public land.
2. A container provided shall bear the name, address and telephone number of the supplier. In all cases, an after hours telephone number shall also be displayed.
3. The supplier of the container shall indemnify Council against any claim or suit arising as a result of the activity specified in the Application Form. Details of the Suppliers Public Liability Policy (endorsed to note Council's interest) shall be supplied to Council – prior to placement of any container.
4. Each container supplied shall be in good condition and properly cleaned prior to delivery.
5. Council reserves the right to order the removal of any container despite any prior approval, if such container, or the activity associated with it in the opinion of Council, causes a nuisance.
6. Putrescible waste, dangerous or hazardous waste shall not be placed in any container located on public land.
7. The Supplier shall undertake to remove any waste deposited in or around the container, whether by him/herself, or at their direction, or by any other person.

A deposit must be lodged with Council by the Supplier or property owner prior to placement of the container as security against damage to the site and /or subsequent site clean up. An application fee is also payable for each instance of a container placed on public land within the Shire. Details of these fees are available in Council's annual Fees and Charges.
